Our theme will be "Autumn...Naturally!" This theme should provide us all with lots of scope for capturing nature during this most colorful of seasons. So let's try for colourful landscapes and close-ups of everything that nature has to offer!

If you cannot appear in person, emailed images to kkoehler@vianet.ca are always welcome. And if you'd just like to see what the Photo Group is all about, please feel free to come along as a spectator!

Wine Appreciation

Contact: Jeff and Ann Cox 685-9900
jeffcox88@gmail.com

We meet once a month, usually in the late afternoon as a group of 12 or less in a member's home. Each person pays \$15 to the host who is responsible for choosing and buying the wine for that month as well as providing simple appetizers.

There is a final get together of everyone at which we choose our favorite wine of the year.

This group is organized much like the dining in groups, where people who are away a number of months will be spread throughout the groups, so "snowbirds" can join in.

Dining IN

Contact: Barbara Burton 788-0059
burtonbaj@sympatico.ca

We have had 7 full groups this year, (over 80 people!), including a snowbird (May- Oct) group and a group capped at 10 rather than 12.

Groups meet once a month for the year, rotating hosts. The host provides the main dish and sets the theme if any. The rest select or are assigned dishes to complete the meal. Members provide their own beverage. Groups decide when to meet. A fun way to interact with members of your club.

Sign up for 2016 will take place at the October and November meeting (or contact me). You will be asked to indicate your full months away (so we can balance the groups); and chose one of : regular 12 people; 10 people only; weekends only; snowbird, or to be on the "spare" list.
